

Statement of Educational Institution - Highschool

To be completed by the School Counselor/School representative

This form helps Tilburg University's International Admissions team establish a reliable and complete overview of information about the student's educational background in more detail than the grade list alone. Submission of this form ensures that the applicant's eligibility is accurately and promptly assessed for admission.

We would appreciate it if you could complete the form to the best of your knowledge, so that it can be included in the application to Tilburg University. You can contact us with any questions via www.tilburguniversity.edu/admission-officers.

All applicants must provide their grades obtained in the penultimate year and most recent grades obtained in the final year (term/semester). Predicted grades are not used for the evaluation.
